Beginners : Do not try this one home alone.
This bottling is absolutely one of awa's favorite vintages.
From the book 'The Scottish Collection' - classic malts by Carol P. Shaw:
With a dominant aroma and insistent peatiness, Ardbeg's flavour is balanced by sweeter tones. Considered the most pungent of all Scotch whiskies, it is (If you are lucky) available from independent bottlers.

This is an Ardbeg back from when Ardbeg still used floor maltings and didn't buy it from outa town.

Ardbeg: Ardbeg 1974 Connoisseurs Choice

We want it back. Glenmorangie has with its ownership of Ardbeg placed the new "ten" and Ardbeg close but only "almost there"
