Description

The signature taste of a classic bourbon.

Old Forester Signature is our 100-proof expression honoring the legacy of George Garvin Brown. Handpicked from select barrels, Old Forester Signature is a mature bourbon with a higher concentration of flavors. Full. Rich. Robust. It's everything a bourbon lover seeks in a bourbon.

This uniquely satisfying spirit is crafted using the same time-honored methods established by George Garvin Brown in 1870. The result: a bourbon as good as his word - and as authentic as his signature
